General Order No. 2 and 3

August 27, 2011

To all Grand Commandery Officers, Past Grand Commanders, Eminent Commanders, Generalissimo's, Captain Generals & Sir Knights of Constituent Commanderies;

Greetings Sir Knights:

These General Orders #2 & 3 are to be read at the first Stated Conclave after it's receipt.

General Order No. 2

As this is the 125th Year of Knights Templar in Washington, SK J. Rex Hartsfield will be assembling the past 25 year history of the jurisdiction and have it ready for presentation at our Grand Commandery Session on May 18, 2012. To achieve this goal, each Commandery in Washington is to provide the history of their Commandery from May 1987 through May 2012 to SK Hartsfield by January 1, 2012 and the name of their sir knight who composes that history. SK Hartsfield's email address is jrexford@comcast.net

General Order No. 3

As SK Warren Lee initiated the selling of a coin in 2011 to commemorate our 125th Year, but more prominently to raise funds for the Knights Templar Scholarship Foundation. That endeavor will continue to be supported during the 2011-2012 Knight Templar year primarily by the sale of these coins. The commemorate coin is available from the Grand Officers and your District Deputy. The Foundation needs your sincere support to enable them to award another scholarship in May. Approximately 1000 coins were purchased last year and are in need of an owner. Please find it in your heart to give \$10 to this very worthy cause. Another method for raising funds for the Foundation is the collection of aluminum cans which totaled \$100 when scrapped last year. Let us endeavor to double this amount this year by contacting more businesses where no one is collecting the cans. Each Commander should appoint one sir knight to be in charge of this effort for their Commandery. Contact SK's Norm Campo or Peter Dawson for information on how to go about this collection and how to get the cans to them for scrapping.

S.K. Donald J. Beck, Right Eminent Grand Commander
